CONSTELLATION

Blending quality, endurance and reliability, the Constellation provides affordable summer fun in a superior steel frame. The Constellation steel structure is protected by a combination of finishes. Optimizing its resistance to corrosion while preventing condensation between the liner and the wall, ensuring a long life for your pool.

structure
6” steel top ledges
steel uprights
one piece ledge cover
stainless steel hardware

The Constellation’s oval pool system is available with the Buttress system. A structurally simplified design with superior strength and durability.
