

# OUR ABOVE GROUND REEL SYSTEMS

## TIDAL WAVE™

### Resin Above Ground Reel System

- Heavy duty corrosion resistant resin construction.
- Fits pools 12' to 30' in width.
- Easy one-person operation - operates smoothly and pivots out of the way when pool is in use.
- Mounts on top rail of Above Ground pool.
- Handle grip facilitates lifting.
- Includes all straps and required hardware for attaching your solar blanket (Available separately).

### Tidal Wave Aluminum Tube Kits

- Tube kits are pre-drilled for easy assembly.  
Super-strong telescoping tube kits available in three sizes:
- Item # 4370018 - 3" diameter - For pools up to 18' wide
  - Item # 4370024 - 3" diameter - For pools up to 24' wide
  - Item # 4370030 - 3" diameter - For pools up to 30' wide

## WHIRLWIND™

### Cast Aluminum Above Ground Reel System

- Made from high quality commercial grade structural aluminum.
  - Fits pools 12' to 28' in width.
- Engineered with sealed, high-strength nylon bearings for effortless one-person operation.
  - Socket mount for easy crank & cover removal.
- Molded bracket mounts on top rail of Above Ground pool.
- Includes all straps and required hardware for attaching your solar blanket (Available separately).

### Whirlwind Aluminum Tube Kits

- Tube kits are pre-drilled for easy assembly.  
Super-strong telescoping tube kits available in four sizes:
- Item # 4376180 - 3" diameter - For pools up to 18' wide
  - Item # 4376240 - 3" diameter - For pools up to 24' wide
  - Item # 4376280 - 3" diameter - For pools up to 28' wide
  - Item # 4376284 - 4" diameter - For pools up to 28' wide

Retractable Wheels

## CYCLONE™

### Inground Resin Reel System (Pat. Pend.)

- Heavy-duty, maintenance free resin construction.
- Innovative offset design prevents tilting.
- Unique roller wheels recess into reel body for stationary operation.
- Engineered with pinch roller bearings for smooth, effortless roll-up.
- Crank handle on both ends for convenient one or two-person operation.
- Includes all straps and required hardware for attaching your solar blanket (Available separately).
- Super-strong anodized aluminum tube kits (See Tube Kit size options below).
- Tube kits are pre-drilled for easy assembly.

## HURRICANE™

### Inground Aluminum Reel System

- Made from high quality commercial grade structural aluminum.
  - Completely maintenance free.
- Engineered with sealed, high-strength nylon bearings for effortless one-person operation.
- Available with optional locking casters for easy roll away storage.
- Includes all straps and required hardware for attaching your solar blanket (Available separately).
- Super-strong anodized aluminum tube kits (See Tube Kit size lower left).
- Tube kits are pre-drilled for easy assembly.

Optional Casters Set

## TYPHOON™

### Inground Resin Reel System

- Large wheel design rolls over uneven terrain for easy roll-away storage.
  - Heavy-duty maintenance free construction.
- Engineered with pinch roller bearings for smooth, effortless roll-up.
- Crank handle on both ends for convenient one or two-person operation.
  - Includes two sturdy footpads for stable, stationary operation.
  - Includes all straps and required hardware for attaching your solar blanket (Available separately).
  - Super-strong anodized aluminum tube kits (See Tube Kit size options below).
  - Tube kits are pre-drilled for easy assembly.

## TWISTER™

### Premium Height Adjustable Commercial Inground Aluminum Reel System

- Our Finest Commercial Quality Solar Reel System.
- Made from high quality commercial grade structural aluminum.
- 32" wide base for maximum stability.
- Completely maintenance free.
- Engineered with sealed, high-strength nylon bearings for effortless one-person operation.
- Quick release pin multi-height adjustable.
- Complete with heavy duty commercial quality casters.
- Includes all straps and required hardware for attaching your solar blanket (Available separately).
- Super-strong anodized aluminum tube kits (See Tube Kit size options lower left).
- Tube kits are pre-drilled for easy assembly.

### Cyclone, Typhoon, Hurricane, Twister Aluminum Tube Kits

Super-strong telescoping tube kits available in 3" or 4" diameter:

- Item # 4390012 - 3" diameter tube for pool sizes to 12' wide
- Item # 4390016 - 3" diameter tube for pool sizes to 16' wide
- Item # 4390020 - 3" diameter tube for pool sizes to 20' wide
- Item # 4390420 - 4" diameter tube for pool sizes to 20' wide
- Item # 4390424 - 4" diameter tube for pool sizes to 24' wide

(4" tubes recommended for use with larger pools and/or heavy gauge solar blankets.)
